PUBLIC UTILITY COMMISSION  
OF TEXAS

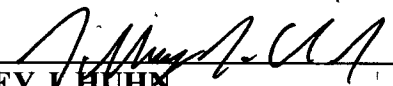

**ORDER NO. 8  
REQUIRING CLARIFICATION**

On September 23, 2016, Commission Staff filed its Memorandum in Support of Settlement and also a Joint Motion for Admission of Evidence and Approval of Proposed Order. These two filings appear to recommend different water rates for the 5/8 inch meters. The memorandum has a \$30.40 rate as compared to a rate of \$45.60 which is in the water tariff attached to the proposed order. With respect to wastewater rates, the memorandum recommends specific rates but the proposed order does not include wastewater rates or a tariff.

In order to ensure a complete evidentiary record the parties are requested to clarify the above-referenced issues. The parties shall file a clarification by October 21, 2016, including a corrected water tariff and sewer tariff, if appropriate.

Signed at Austin, Texas the 14<sup>th</sup> day of October 2016.
