RE: Project No. 45500, Application of RE Roserock LLC for an Amendment to its Power Generation Company Registration

RECOMMENDATION

On January 5, 2016, RE Roserock LLC filed a registration request to amend its power generation company registration pursuant to 16 Tex. Admin. Code §25.109 (TAC). RE Roserock LLC indicated that an amendment is necessary to reflect a change in ownership/control and to add Nacogdoches Power, LLC as an affiliate that buys and sells electricity at wholesale in Texas. Additionally, the output of its generating facility increased from 150 MW to 157.5 MW. RE Roserock LLC's registration number is 20353.

After a review of the RE Roserock LLC amendment request, I have concluded that the applicant has satisfactorily completed the post registration requirements under 16 Tex. Admin. Code §25.109 (h) by reporting a material change in the information regarding its generating facilities on the commission-prescribed form. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 Tex. Admin. Code §25.109 (f).

Therefore, I recommend that RE Roserock LLC's amendment request be granted and commission records be revised to reflect the amendment.
