LIST OF ISSUES

COMES NOW HOE Water Supply Corporation (HOE) and files this List of Issues.

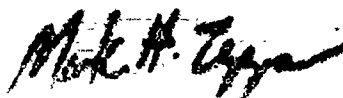

HOE has reviewed and concurs with all of the listed issues submitted by the PUC Staff with one exception. The third group of issues relates to HOE retaining customer deposits. HOE is a water service corporation and as such, collects and maintains memberships and associated membership fees. It does not collect deposits, so there are no deposits at issue in this docket. PUC does not have jurisdiction over the memberships and associated fees of water supply corporations.

With this one exception regarding customer deposits, HOE recommends approval of the PUC staff's list of issues.

Respectfully submitted,
