SOAH ORDER NO. 5  
REQUIRING STATUS REPORT

In Order No. 4 the Administrative Law Judge (ALJ) granted the parties' request to continue the abatement to give Harris County Municipal Utility District No. 480 (Harris County MUD) additional time to work with the Texas Commission of Environmental Quality (TCEQ) towards the goal of attaining approval of proposed facility and distribution plans. Order No. 4 also acknowledged Staff's assertion that Harris County MUD was in the best position to provide updates, as it was the party directly engaged with TCEQ and TCEQ staff. To that end, Harris County MUD was ordered to file a status report on or before February 15, 2017. To date, no such report has been filed.

Therefore, Harris County MUD is **ORDERED** to file a status report in this docket on or before **Friday, February 24, 2017**. At that time the ALJ will consider whether to continue the abatement currently in effect, or schedule a prehearing conference to discuss the entry of a procedural schedule to ensure this case does not stagnate.

SIGNED February 16, 2017.
