SOAH ORDER NO. 6
CONTINUING ABATEMENT

On March 15, 2017, the Harris County Municipal Utility District (District) requested an extension of time to April 14, 2017, to respond to Order No. 5, which requested a status report. In its March 15, 2017 response, the District states that it expects necessary information from HOE Water Supply Corporation (HOE WSC) within 30 days; i.e., by approximately April 15, 2017.

The Administrative Law Judge (ALJ) is scheduled for medical leave for the last two weeks of April. Therefore, the District is **ORDERED** to file a status report by May 1, 2017, advising whether this case can be settled or whether a prehearing conference should be scheduled to adopt a procedural schedule to ensure the efficient and successful conclusion to this docket. In that regard, the District is also **ORDERED** to consult with Staff and HOE WSC prior to the filing of its status report and to include in its status report the results of its discussions with those parties.

SIGNED April 13, 2017.
