Name of utility providing water/wastewater	City of Carrollton
--------------------------------------------	--------------------

Date submetered or allocated billing begins (or began)	10/01/2015	Required
--------------------------------------------------------	------------	----------

METHOD USED TO OFFSET CHARGES FOR COMMON AREAS Check one line only.

<input checked="" type="checkbox"/> Not applicable, because	<input checked="" type="checkbox"/> Bills are based on the tenant's actual submetered consumption
-------------------------------------------------------------	---------------------------------------------------------------------------------------------------

<input type="checkbox"/> There are neither common areas nor an installed irrigation system

All common areas and the irrigation system(s) are metered or submetered:
We deduct the actual utility charges for water and wastewater to these areas then allocate the remaining charges among our tenants.

This property has an installed irrigation system that is not separately metered or submetered:
We deduct percent (**we deduct at least 25 percent**) of the utility's total charges for water and wastewater consumption, then allocate the remaining charges among our tenants.

This property has an installed irrigation system(s) that is/are separately metered or submetered:
We deduct the actual utility charges associated with the irrigation system(s), then deduct at least 5 percent of the utility's total charges for water and wastewater consumption, then allocate the remaining charges among our tenants.

This property does not have an installed irrigation system:
We deduct at least 5 percent of the retail public utility's total charges for water and wastewater consumption, and then allocate the remaining charges among our tenants.
