RE: Tariff Control No. 45550 – Application of Deer Creek Ranch Water Company
for a Water Pass-Through Rate Change

NOTICE FINDING APPLICATION REMAINS DEFICIENT AND
ESTABLISHING DEADLINES

This Notice addresses Commission Staff's recommendation that this application remains deficient, as specified in the pleading and attached memorandum of Emily Sears, of the Commission's Water Utility Regulation Division. On April 4, 2016, a notice was issued finding the application deficient. On May 19, 2016, Deer Creek supplemented the application as instructed by Commission Staff. However, Commission Staff stated that the information provided in the Deer Creek's response does not fully address the deficiencies.

Consistent with Commission Staff's recommendation, Deer Creek's application remains deficient. On or before **August 5, 2016**, Deer Creek shall file additional information curing the deficiencies in the application that have been identified by Commission Staff. On or before **September 9, 2016**, Commission Staff shall file a supplemental recommendation on the administrative completeness of the application.

SIGNED AT AUSTIN, TEXAS the 21st day of June 2016.
