ORDER NO. 9
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses Commission Staff's July 17, 2017, recommendation regarding administrative completeness of the application. Commission Staff recommended that the application is not administratively complete because it contains material deficiencies, as specifically described in Commission Staff's filing and attached memorandum of Debbie Reyes Tamayo of the Commission's Water Utility Regulation Division.

Consistent with Commission Staff's recommendation, Old Tamina's application is found administratively incomplete and deficient. On or before **August 18, 2017**, Old Tamina shall amend its application to cure the deficiencies described by Commission Staff. On or before **September 19, 2017**, Commission Staff shall file additional comments regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 21st day of July 2017.
