MOTION OF OLD TAMINA WATER SUPPLY CORPORATION FOR EXTENSION

NOW COMES Old Tamina Water Supply Corporation ("OTWSC") and hereby files this Motion for Extension of Time to File a Response to Order No. 11 Extending Deadline.

OTWSC respectfully requests an extension of time to file its response to Order No. 11 requiring OTWSC to respond to Commission Staff's First Request for Information. Order No. 11 required that OTWSC respond by December 14, 2016. Therefore, this Response and Request for Extension is timely filed.

OTWSC is currently working with its Utility Operator and its Engineer to provide complete and accurate responses to Staff Questions 1-1 & 1-2. OTWSC anticipates that it will have the updated information it needs to complete those questions within one week's time.

Staff Question 1-3 requests a copy of the purchase water agreement with Chateau Woods MUD. The purchase water agreement with Chateau Woods expired in August, and the parties are currently operating on a month-to-month basis under that agreement while they complete negotiations on the renewal term. The parties are very near completion of the final version of the Agreement and OTWSC is working with Chateau Woods with the hope of completing the final revision of the renewal agreement in time for it to be approved at Chateau Woods' next Board of Directors meeting scheduled December 20th. If that is not possible, then the contract would be

submitted for approval at Chateau Woods' next Board Meeting on January 25, 2017.

OTWSC requests that the ALJ find good cause to extend the deadline for OTWSC to respond to Order No. 11.

WHEREFORE, PREMISES CONSIDERED, OTWSC respectfully requests that the deadline for its response be extended to January 31, 2017. OTWSC has consulted with Staff and Staff is unopposed to this extension. OTWSC respectfully requests the entry of an order consistent with this request.

Respectfully submitted,

OLD TAMINA WATER SUPPLY CORPORATION
