Dear Mr. Leveston:

The Texas Commission on Environmental Quality (TCEQ) received the above referenced applications on January 30, 2013. A Notice of Deficiency (NOD) letter was sent to you on February 27, 2013 requesting revised maps. Revised maps were received on April 1, 2013, however, they did not meet the requirements. Therefore, per a telephone conversation with Ms. Christine Mester on April 15, 2013, we are returning your application for failure to prosecute.

The original application will be retained in the TCEQ's official file under CCN No. 12289 for reference purposes only.

If you have any questions, please contact Ms. Christine Mester at 512/239-2788, or by email at christine.mester@tceq.texas.gov. If by mail, include Mail Code 153 in the letterhead address.

Sincerely,
