*The water company (Monarch Utilities I, LP), says they invested 71 million dollars, but they don't mention how many millions of dollars they have gained from charging their exagerrated quotes to people. In our area alone, they've only repaired one booster pump, and a storage. But in reality they are charging almost double of what other companies are charging for the same service. Please lower your prices for the same services.*

- I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUC and the State Office of Administrative Hearings (SOAH).
