MONARCH'S AMENDED RESPONSES TO  
KATHY NIELSEN'S FIRST REQUESTS FOR INFORMATION

**NIELSEN RFI 1-11:** For this Request, 'Profit' should be calculated to include, in dollars, "income" less "expenses". "Income" to be monies received from Monarch's customers. "Expenses" to be defined as operational costs of water and sewer systems EXCLUDING 1) salaries to Monarch executives, 2) Monarch legal costs other than business permits and the like, 3) the costs Monarch spent for purchasing and installing the new electronic "water meters", and 4) costs (if any) for "wasted" water (ie non-billed water spillage). "Executives" is defined to be any person who has collected monetary compensation in any form from Monarch worth in excess of \$80,000.

Provide information and/or indicate document title(s) and page number(s) where requested information can be found in your documents submitted in your Application which indicates profit in dollars made by Monarch for the following years: 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015

**AMENDED  
RESPONSE:**

Monarch requested and received clarification. Instead of calculating profit as requested, Monarch will provide cost of service and salary information for the test year.

Monarch's Cost of Service for both water and wastewater can be found in Errata Schedule II-A of the rate filing package (RFP). Salaries for executives are not booked directly to Monarch, they are allocated to Monarch and cannot be separated from non-executive salaries. Please see Errata Schedules IV-12.1 and IV-12.2 for details of salaries allocated to Monarch.
