FILING CLERK

**KATHY NIELSEN'S STATEMENT OF POSITION-ADDENDUM #2**

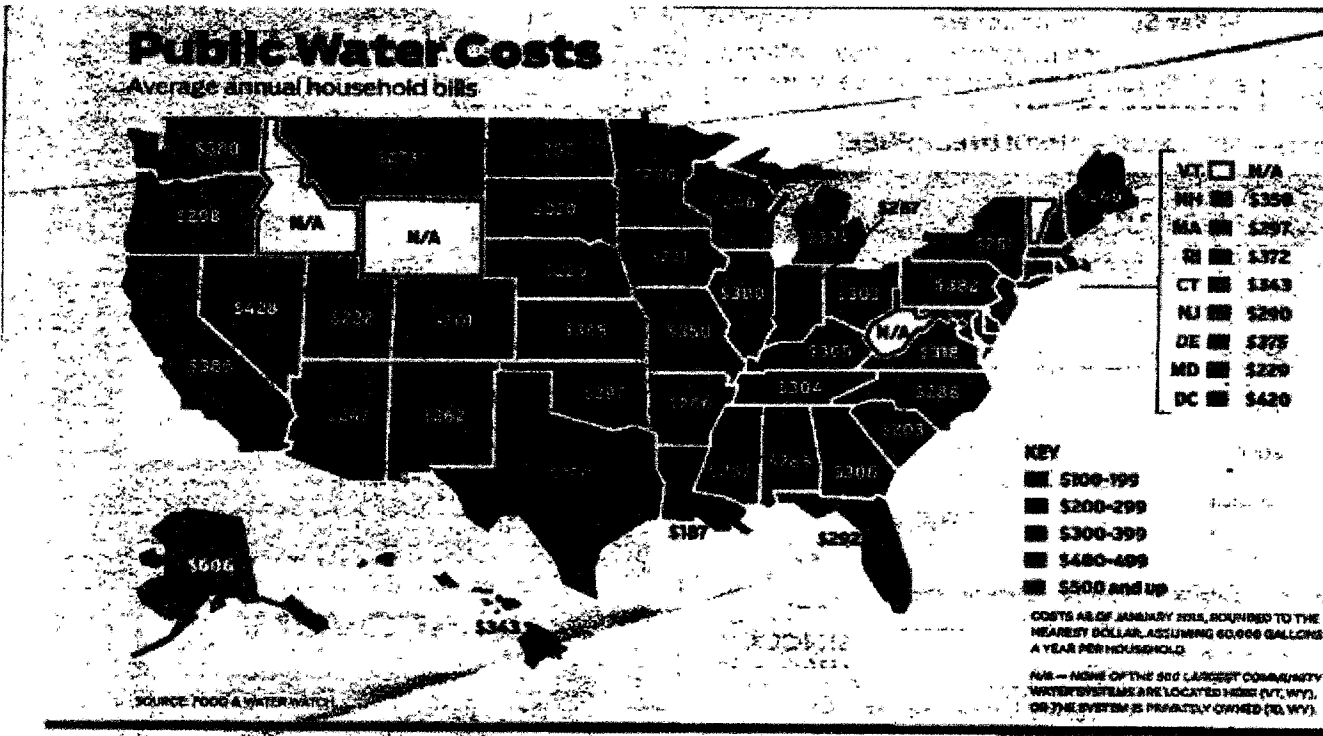

TO: Public Utility Comm. of Texas, 1701 N. Congress Ave., PO Box 13326, Austin, Texas 78711. Kathy Nielsen, as Intervenor, herein submits her Addendum #2 to her Statement of Position.

**Addendum #2: (Definitions as in Original Statement of Position and continuation of Original Statement and Addendum #1)**

**11. WATER RATES:**

Monarch's requested water rates are out of touch with reality: According to June 2016 survey (see map, published in AARP magazine), the Average yearly TX water bill is \$290. Monarch's request is for a MINIMUM OF approximately 12 x \$68.96 or \$827.52/year ??????

Almost 3 times the average rate in TEXAS and, by far, the highest yearly rate in the Nation !!!!

Respectfully submitted,

*Kathy Nielsen*
