[X] I wish to be a COMMENTER. I understand that: I am NOT a party to this case; my comments are not considered evidence in this case; and I have no further obligation to participate in the proceeding. Public comments may help inform the PUC of the public concerns and identify issues to be explored. Please provide comments below. Attach a separate page, if necessary. My water bill here is \$45.23 & sewer here is \$67.30 before any rise at all! This is excessive - how can a rate increase be considered. There are times when my water pressure is too low to use & sometimes water is dirty with mud. My last call to water company re: dirty water was not responded to.

[] I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUC and the State Office of Administrative Hearings (SOAH).
