I wish to be a COMMENTER. I understand that: I am NOT a party to this case; my comments are not considered evidence in this case; and I have no further obligation to participate in the proceeding. Public comments may help inform the PUC of the public concerns and identify issues to be explored. Please provide comments below. Attach a separate page, if necessary.

My family bought a house in Pinnacle Club, and therefore, are forced to use Monarch for water. It's absolutely asinine that they're charging so much money for the water and sewer base rates. My water bill is almost \$300 a month BEFORE I'VE EVEN USED ANY WATER!! This is a racket. This amount of money is not needed to maintain pipes. My water bill is cheaper at my primary residence and we use water everyday and have a pool. We've also experienced problems with water pressure and nothing has ever been done to try and fix this problem.

I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUC and the State Office of Administrative Hearings (SOAH).
