RE: SOAH Docket No. 473-16-2873.WS, PUC Docket No. 45570, *Application of Monarch Utilities I, L.P. to Change Rates for Water and Sewer Service*

Honorable Judge Pomerleau and Judge Qualtrough:

In SOAH Order No. 1 Filing Description; Suspension Of Effective Date; Notice Of Prehearing Conference; Requiring Staff Comment On Notice; And Adoption Of Protective Order ("Order"), Monarch Utilities I, L.P. ("Monarch") noticed an apparent typographical error. The Order incorrectly states in the first paragraph that, "Monarch seeks approval of an overall increase in base revenues of \$64,746,197, an increase of 6.7% in overall rates." To ensure that Monarch's customers and the general public understand the rate increase requested, Monarch requests that the record be corrected to reflect the actual requested base revenue increase in annual revenues is \$4,787,169, or 18.66% over Monarch's adjusted Test Year revenues in three phases. This is the amount of increase stated in the Monarch's Statement of Intent included within its Rate Filing Package. The remaining figures included in the Order concerning the three rate phases are correct.

Please let me know if you have any questions or need any additional information.

Yours truly,

Lambeth Townsend
