To whom it may concern,

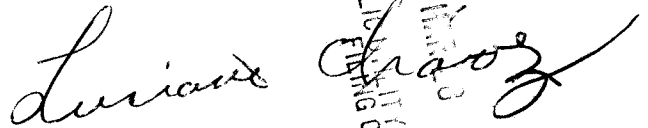

March 23, 2016

My name is Luciano Chavez and I live on 8908 Johns road Alvarado, Texas 76009. My water is supplied by Monarch Utilities and I have been informed with a letter with docket No. 45570 that my water bill will be increasing in cost. I would like to plead with the water commissioners to please stop this from happening, I am the sole bread winner in my house, my wife unfortunately is struggling with cancer, and our expenses are high and can barely make ends meet.

In this letter I am asking for your help, I cannot budget an increase in any of our bills, the cancer that my wife and I are battling, as this fight has involved us both does, not allow me to budget any increment to our monthly bills. I am 62 and I don't have the energy to get a second job to help with any change in our budget. Please consider my plea and help to stop this increase that Monarch is suggesting.

Sincerely,

Luciano Chavez
