The proposed rate increase is outrageous. There has been no improvement in water quality at Aurora Vista. Twice in the past year, as recently as Feb 2016 we have been notified by TCEQ that our water has exceeded the Maximum Contaminant Level. We have resorted to drinking bottled water. It is absurd to pay more for water that is not safe to drink.

I am requesting to INTERVENE in this proceeding. As an INTERVENOR, I understand that: I am a party to the case; I am required to respond to all discovery requests from other parties; I may be required to attend hearings, and if I file testimony, I may be cross-examined in the hearing; if I file any documents in the case, I must provide a copy to every other party in the case; and I acknowledge that I am bound by the Procedural Rules of the PUC and the State Office of Administrative Hearings (SOAH).
