I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- ☒ I am a party to the case;
- ☒ I am required to respond to all discovery requests from other parties in the case;
- ☒ If I file testimony, I may be cross-examined in the hearing;
- ☒ If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- ☒ I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. This

line will cut my property in half and completely devalue it
to nothing. The route is way too close to our house. I
object to segment 8 completely.
