I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

We are strongly opposed to the proposed route RP10, specifically section 9, because we have recently built a homestead on land that has been in our family since 1850. It is heritage land with large trees and a beautiful pond. The landscape and use of the pond will be

completely ruined by the transmission line.

We have four children who have loved and enjoyed the land and pond all of their lives. They understand the history of the families who lived here, and we can see the love and appreciation of the land we have been blessed with passed on to many future generations.
