I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I live in Route Segment 8. I already have a 115-Kv line on my property. The addition of this 345-Kv line would diminish use of my property & greatly effect the property value. With one line already on my property I should not have to deal with 2 lines. Segment 8 also has a large number of ^{Residents} since it is so close to Carthage
