I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- ☒ I am a party to the case;
- ☒ I am required to respond to all discovery requests from other parties in the case;
- ☒ If I file testimony, I may be cross-examined in the hearing;
- ☒ If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- ☒ I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

I have 2 separate portions of land in the area. One is listed in  
Fannie Watson's name. The other is listed in BGS Foundation, Inc.  
which is a trust-like document that leaves our possessions to our children.  
I am not sure if both are in this area, <sup>& connect</sup> or just one of them.
