to Health to live close to these lines.

Where the planned line crosses the property is where we planned to farm and have a large garden. It is stepping any way to make a living.

Please, move the proposed line (17) over to enable me to live on my property as planned.

I would appreciate being contacted and kept up to date on the progress of said line.

I can be reached at 281-538-1328.
