MOTION TO ACCEPT LATE FILED TESTIMONY OF JASON SPILLER

Jason Spiller did not have knowledge that he had been reinstated as an intervenor in this docket until after the deadline to file intervenor testimony. In the order where he was reinstated no mention was made about his ability to file late filed testimony. Therefore he assumed it was too late to file testimony. Later, a friend who was an intervenor asked him if he had filed testimony. When he explained why he had not filed testimony his friend called me to ask if he could still file testimony. I advised him to do so and I would ask that his testimony be accepted. He has done so. I respectfully ask that due to the facts in this situation his testimony be accepted.

Respectfully Submitted,
