Mr. Jim Davis, Deputy, Attorney General for Civil Litigation

Re: Southern Cross Transmission LLC v. PUC, No. 1:17-cv-25-RP, W.D. Texas (Austin Division)

Dear Mr. Davis:

The Public Utility Commission of Texas received a complaint and waiver of service form earlier this week. This letter is to request representation by the Attorney General in this matter. A copy of the complaint and waiver is attached.

A hard copy will be provided on Monday.

This lawsuit relates to PUC Docket No. 45624 – Application of the City of Garland to Amend a Certificate of Convenience and Necessity for the Rusk to Panola Double-Circuit 345-kV Transmission Line in Rusk and Panola Counties.

Southern Cross is seeking declaratory and injunctive relief related to an order in a docket in which the Commission has granted rehearing. I expect that the Commission may issue its order on rehearing next week after its open meeting scheduled for March 9.
