Garland Transmission Project Docket Number: 45624

The Estate of JJ Goodwin is requesting any information concerning the Garland Transmission Project, Docket # 45624. The Estate of JJ Goodwin had legal representation but due to unforeseen reason, he is no longer with the firm. The Estate of JJ Goodwin needs to know where the project is at this time because we haven't been given any legal documents concerning the landowner rights and procedures that needs to be obtained. Flossie Roberts did attend the meeting concerning the intervention in the proceedings in Panola County, Texas . After which she was notified by a survey consultant Gregg Christian concerning the survey processing rights for the landowner, which we assumed was working on the project for Panola County, Texas. We signed the correspondence after which showing interest in that matter that was in April 2018. Since then we have not had any contact with anyone concerning this matter. The JJ Goodwin

Estate would greatfully and gladly appreciate any information that can help us with this matter. Any information can be forwarded to Calvin W. Goodwin, 712 Pepperidge Drive, Arlington, TX 76014, (cell) 214-729-1614 if needed to be contacted. Again a heartful of thanks is very appreiciated.
