**ORDER NO. 11  
GRANTING REQUESTS AND MODIFYING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's July 14, 2017 requests for extension and to modify the procedural schedule established by Order No. 10. Commission Staff stated that provision of final maps, certificates, and tariffs to applicants was not timely and when provided required discussions among the parties; therefore, additional time is needed for applicants to file their signed consent forms and for submission of the parties' joint proposed order. Additionally, Commission Staff noted, because a final recommendation has already been filed in this case, a deadline for such filing is not needed.

Commission's Staff's requests are granted and the procedural schedule established by Order No. 10 is revised as follows:

Deadline for applicants to file completed and signed consent forms	July 31, 2017
Deadline for parties to file a motion to admit evidence and a proposed notice of approval, including findings of fact, conclusions of law, and ordering paragraphs	August 14, 2017

SIGNED AT AUSTIN, TEXAS the 17th day of July 2017.
