PUBLIC UTILITY COMMISSION
COMMISSION OF TEXAS**

AQUA TEXAS' STATUS REPORT AND REQUEST FOR EXTENSION

TO THE HONORABLE ADMINISTRATIVE LAW JUDGE:

COMES NOW, Aqua Texas, Inc. d/b/a Aqua Texas ("Aqua") and files this Status Report and Request for Extension. In support thereof, Aqua would show the following.

On February 24, 2016, Aqua and Montgomery County Municipal Utility District No. 126 (MUD 126) filed an application for approval of a service agreement under Texas Water Code § 13.248 (TWC), which would transfer a portion of Aqua's water certificate of convenience (CCN) No. 13203 and sewer CCN No. 21065 service areas to MUD 126, and to decertify a portion of Aqua's water CCN No. 13203 and sewer CCN No. 21065 in Montgomery County. On April 25, 2016, Order No. 3 was issued providing that by May 27, 2016, Aqua shall supplement the application or file a status report. Therefore, this pleading is timely filed.

Aqua is still working to obtain information from Montgomery County MUD 126 and compile the information into the form requested by Staff. Therefore, Aqua requests a 30-day extension of the procedural schedule established in Order No. 3 to allow sufficient time for Aqua to prepare and submit the supplemental application information. Commission Staff is not opposed to this request.

Aqua respectfully requests that the following deadlines be included in the a new procedural schedule.

Deadline for Aqua to supplement the application or file a status report

June 27, 2016

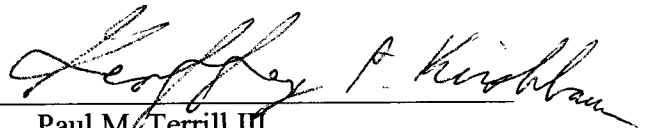

Deadline for Commission Staff's recommendation regarding the administrative completeness of the amended application, along with a proposed procedural schedule and comments regarding whether the application is appropriate under Tex. Water Code § 13.248.

July 27, 2016

PRAYER

Aqua Texas, Inc. respectfully requests that the Honorable Administrative Law Judge issue an order approving Aqua's request for a 30-day extension of the existing procedural schedule, setting out the amended deadlines requested herein, and setting a status report deadline for Aqua to use if needed.

Respectfully submitted,

By:
