ORDER NO. 5
DENYING MOTION TO ABATE AND ESTABLISHING A DEADLINE

This Order addresses Green Valley Special Utility District's May 27, 2016 response to Order No. 4, indicating that an impasse had been reached with the City of Cibolo regarding appointment of an independent appraiser, and Green Valley's June 6, 2016 emergency motion to abate this proceeding pending briefing and resolution of threshold legal issues, and other matters. This Order also addresses Cibolo's May 27, 2016 response to Order No. 4, also indicating an impasse, appointment of an independent appraiser and request that a procedural schedule be established.

Green Valley's emergency motion to abate is denied and Cibolo's motion to establish a procedural schedule is granted, in part. Appropriate orders will be issued when the threshold legal issues that have been presented for briefing are resolved. Additionally, the requirements of Tex. Water Code § 13.255 (TWC) and 16 Tex. Admin. Code § 24.120 (TAC) continue to apply to this proceeding.

Therefore, as required by TWC § 13.255(l) and 16 TAC § 24.120(m), Green Valley shall appoint a qualified individual or firm to serve as the utility's independent appraiser, and within 2 days of that appointment, but no later than **June 7, 2016**, Green Valley shall notify the Commission of the appointment and the date of the appointment.

SIGNED AT AUSTIN, TEXAS the 3rd day of June 2016.
