RE: Project No. 45704, *Registration Request of Pumpkin Farm Wind, LLC for Power Generation Company Registration*

RECOMMENDATION

On March 8, 2016, Pumpkin Farm Wind, LLC (“Pumpkin Farm Wind”) filed an application to register the Company as a power generation company pursuant to 16 Tex. Admin. Code (TAC) §25.109.

After a review of the Pumpkin Farm Wind registration request, I have concluded that the applicant has satisfactorily completed the registration requirements under 16 TAC §25.109 (e) by providing a description of the location of the facility used to generate electricity; a description of the types of services provided by the person that pertain to the generation of electricity; and all information requested on the commission-prescribed form. An oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application pursuant to 16 TAC §25.109 (f).

Therefore, I recommend that Pumpkin Farm Wind’s registration request be granted and commission records be revised to reflect the registration.
