

$$AG = G + B$$

Where:

AG = adjusted gallonage charge, rounded to the nearest one cent:

G = approved gallonage charge (per 1,000 gallons) and

B = change in purchased sewer service gallonage charge (per 1,000 gallons).

## APPENDIX H

**HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 191**

**Harris County, Texas**

January 27, 2016

Mr. Charles W. Profflet, Jr., P.E.  
President  
Monarch Utilities I, LP  
12535 Reed Road  
Sugar Land, Texas 77478

Subject: Monarch Utilities I, LP Application to Acquire Water and Sewer Systems and Amend Water CCN No. 12983 and Sewer CCN No. 20899

Dear Mr. Profflet,

Monarch Utilities I, LP (Monarch) has recently provided Harris County Municipal Utility District No. 191 (District 191) notice of intent to file an application with the Public Utilities Commission of Texas (PUC) to acquire the water and sewer systems serving the Villas of Willowbrook (the Villas) and amend its existing Water and Sewer Certificate of Convenience and Necessity (CCN) area to include the Villas (see Exhibit A attached).

The Villas are within the boundaries of District 191 and currently receive interim water and sewer service from District 191. The water and sewer systems serving the Villas are owned by Villas of Willowbrook Homeowners Association, Inc. Upon acquisition of the water and sewer systems, Monarch has agreed to provide retail water and sewer utility service to the Villas.

District 191 consents to the addition of the Villas to Monarch's Water and Sewer CCN and has agreed to provide Monarch wholesale water and sewer service through our contract dated December 2, 2015.

Upon filing of the application to the PUC, please forward a copy of the full application for our files.

Sincerely,

Edward A. Monto  
President  
Harris County Municipal Utility District No. 191
