John,

As per our conversation we will be requesting all the confidential material passed filed and the future filings.

Also, if I remember correctly, you said that you could email the past filing information to us so we can start looking at the numbers.

We are still requesting the past 3 years of income tax fillings. AS I explained to you Rio Concho has three entities, to my knowledge, and how the numbers are passed around under that umbrella are of great interest and can influence the outcome of this rate increase.

It is also my understanding that we must sign the order and snail mail that to the PUC. This will take valuable time therefore we will email you a scanned copy of the signatures in hope you will then send us via email the information requested.

Thank you for your understanding and cooperation in this matter.

Signed.

Stephen Grace
