SOAH ORDER NO. 5
SCHEDULING PREHEARING CONFERENCE

On February 16, 2017, the Administrative Law Judge (ALJ) issued Order No. 4 and requested the parties to file a status report by February 27, 2017, addressing the issues discussed in Order No. 4. Staff was the only party to respond. In its response, Staff advised that the map and materials previously filed by the parties on February 7, 2017, was insufficient to justify withdrawal the request for hearing filed by Rincon Water Supply Corporation, which was the basis of Staff's request for referral of this case to the State Office of Administrative Hearings (SOAH). As a result, Staff recommended a prehearing conference to discuss the status of the case. The ALJ finds the Staff's request to have merit.

ACCORDINGLY, the ALJ will convene a prehearing conference in this case at 10:00 A.M., Friday, March 17, 2017, at the SOAH hearing facility, Wm. Clements Building, 300 W. 15th Street, Fourth Floor, Austin, Texas. The parties are advised that they must clear security at the reception desk on the first floor and should allow sufficient time to complete the process. Picture identification will be required for admittance.

SIGNED February 28, 2017.
