Re: SOAH Docket Number 473-16-5010.WS, PUC Docket 45781

Dear Judge Rodriguez:

The City of Portland has been notified that the Rincon Water Supply Corporation has withdrawn its objection to the City's CCN amendment application and Rincon's request for a public hearing. However, Rincon filed the withdrawal request, which is attached for your review, under the incorrect docket number.

As a result of Rincon's withdrawal request, the City of Portland would respectfully request the public hearing be dismissed. Alternatively, if a prehearing conference is still required to discuss the case, we respectfully request that the prehearing date be moved to the week of March 27 and that the prehearing occur via teleconference. I have spoken with the Public Utilities Commission's Landon Lill this morning; he did not object to either of these requests.

If you have any further questions regarding this matter, please contact me at 361-777-4516.

Sincerely,

Brian R. DeLatte, P.E.
Assistant City Manager
