Re: SOAH Docket No. 473-16-5010.WS
PUC Docket No. 45781

*Application of City of Portland to Amend Its Certificate of Convenience and Necessity
in San Patricio County*

Dear Mr. Journeay:

On June 27, 2017, the undersigned issued SOAH Order No. 10, Granting Motions to Admit Evidence; Remand Case; and Dismissal of SOAH Docket. The order granted the parties' Joint Motion to Admit Evidence, and Proposed Order, and remanded to the Commission a fully-settled case.

Normally, a SOAH order remanding a settled case to the Commission would include a directive, usually to the applicant, to file with your office a Word version of the proposed order for your and the Commission's convenience and use. That directive was inadvertently left out of SOAH Order No. 10. Because jurisdiction is now with the Commission, I would ask that the parties, preferably Staff, provide your office with a Word version of the Proposed Order (including findings of fact, conclusions of law, and ordering paragraphs).

Thank you for your attention to this matter, and I apologize for the inadvertence.

Sincerely,

A handwritten signature in cursive script that reads "Fernando Rodriguez".

Fernando Rodriguez
Administrative Law Judge
