**Re: Airbus DS Communications, Inc. – Amended Financial Statements  
(Docket No. 45836)**

To Whom It May Concern:

Airbus DS Communications, Inc. (“Airbus”) hereby files with the Public Utility Commission of Texas (“Commission”) an amended Exhibit D (Financial Statements) to its application for a New Service Provider Certificate of Operating Authority (Docket No. 45836). The amendment demonstrates that Airbus is in compliance with Texas Rule § 26.111(f)(1). The previously submitted Financial Statements were in the format of accounting Debits and Credits, giving the appearance of negative shareholder equity. The amended Financial Statement have been reformatted to Standard Format, and no changes have been made to the information contained therein.

Pursuant to Section 22.71(d) of the Procedural Rules, Airbus requests confidential treatment of this submission.

Please date-stamp the enclosed extra copy of this letter and return it in the self-addressed envelope provided. Should you or anyone else at the Commission have questions regarding this filing, please do not hesitate to contact me.

Sincerely,

Wesley K. Wright
