Docket Number 45866

Dear Administrative Law Judges Wendy Harvel and Beth Bierman,

We understood that the Evangelical Lutheran Synod had intervened. Ten copies of the intervener application were sent on June 9th, 2016 several days before the deadline. We would like to check if our intervener application was received.

We will accept the case as it is.

Please accept the Evangelical Lutheran Synod as an intervener and our representative, Reverend Bradley Kerkow's direct testimony.

Respectfully submitted

Keith Wiederhoeft
