IN BEHALF OF ROY L. AND ALICE F. KUCHERA 38641

I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- I am a party to the case;
- I am required to respond to all discovery requests from other parties in the case;
- If I file testimony, I may be cross-examined in the hearing;
- If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property.
- Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

Position 2.5 is in my front yard
and impeded the entrance to my
home of many years. It is also
directly across the road from L I S I
property where a major school
complex is planned. I feel this
facility could be placed in a
much safer location on far less
costly land such as the 2.1 or
2.3 locations. I am adamantly
opposed to the 2.5 position.
