**ORDER NO. 3
GRANTING ALCOA, INC.'S MOTION TO INTERVENE**

On June 2, 2016, Alcoa Inc. filed, among other things, a motion to intervene in the above-styled and numbered docket. Alcoa stated that it is an owner of land and lignite resources in the Three Oaks Mine, which is the subject of this docket; therefore, it has a justiciable interest that may be adversely affected by the outcome of this proceeding. No objections to Alcoa's motion to intervene were filed. Accordingly, Alcoa's motion to intervene is granted.

Alcoa's requests for a prehearing conference and referral to the State Office of Administrative Hearings will be addressed in a separate order.

SIGNED AT AUSTIN, TEXAS this 10th day of June 2016.
