**ORDER NO. 4
FINDING APPLICATION INCOMPLETE AND DEFICIENT;
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Commission Staff's recommendation that the application of Swea Gardens Estate Utility, Inc. and Municipal Operations, LLC continues to contain material deficiencies as specifically described in Commission Staff's September 2, 2016 filing. Commission Staff stated that the application is still deficient and not administratively complete because neither Municipal Operations nor Swea Gardens has filed anything in the record since the last notice of deficiency issued in Order No. 3. Commission Staff recommends that the Applicants be given additional time to supplement the application.

The application is deemed administratively incomplete and deficient. Consistent with Commission Staff's recommendation on or before **September 30, 2016** Applicants shall file a supplement addressing the identified deficiencies in the application. Commission Staff shall file a supplemental recommendation regarding the administrative completeness of the amended application and notice, along with a proposed procedural schedule, if necessary, on or before **October 14, 2016**.

SIGNED AT AUSTIN, TEXAS on the 8th day of September 2016.
