**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT;
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

On May 9, 2016, Swea Gardens Estate Utility, Inc. and Municipal Operations, LLC filed an application for approval of the sale, transfer, or merger of facilities and certificate rights in Harris County.

On June 8, 2016, Commission Staff recommended that the application is insufficient and administratively incomplete because it contains material deficiencies. Pursuant to 16 Texas Administrative Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission. Commission Staff proposed the applicants be given until June 21, 2016 to cure the deficiencies as specifically described in Commission Staff's June 8, 2016 filing and the attached memorandum of Emily Sears and Kristy Nguyen of the Commission's Water Utility Regulation Division.

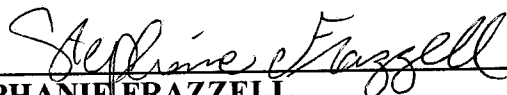

Consistent with Commission Staff's recommendation, the application is found administratively incomplete and deficient. On or before **June 21, 2016**, the applicants shall amend the application to cure the deficiencies noted by Commission Staff. Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application and notice, along with a proposed procedural schedule, if necessary, on or before **July 21, 2016**.
