**ORDER NO. 3
FINDING APPLICATION INCOMPLETE AND DEFICIENT;
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

On June 30, 2016, in response to Order No. 2, Swea Gardens Estate Utility, Inc. and Municipal Operations, LLC amended their application to cure deficiencies identified by Public Utility Commission of Texas Staff.

Commission Staff has recommended that the application is still deficient and not administratively complete because it contains material deficiencies as specifically described in Commission Staff's July 21, 2016 filing and the attached memorandum of Emily Sears and Kristy Nguyen of the Commission's Water Utility Regulation Division. Pursuant to 16 Texas Administrative Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

The application is deemed administratively incomplete and deficient. On or before **August 5, 2016**, the applicants shall amend the application to cure its deficiencies. Commission Staff shall file a supplemental recommendation regarding the administrative completeness of the amended application and notice, along with a proposed procedural schedule, if necessary, on or before **September 2, 2016**.
