**DOCKET NO. 45988**

**APPLICATION OF OLD TAMINA §  
WATER SUPPLY CORPORATION TO §  
OBTAIN A SEWER CERTIFICATE OF §  
CONVENIENCE AND NECESSITY IN §  
MONTGOMERY COUNTY (37616-C) §**

**PUBLIC UTILITY  
COMMISSION  
OF TEXAS**

RECEIVED  
2019 AUG -2 AM 10:44

PUBLIC UTILITY COMMISSION  
FILING CLERK

**OLD TAMINA WATER SUPPLY CORPORATION'S RESPONSE TO ORDER NO. 24  
AND REQUEST FOR EXTENSION**

**NOW COMES** Old Tamina Water Supply Corporation and hereby files this Response to Order No. 24 and Request for Extension.

**I. Background**

On May 9, 2019, the Commission granted the request for rehearing filed by Old Tamina Water Supply Corporation ("Old Tamina"). The Commission also rescinded the Notice of Approval issued on March 19, 2019 and remanded this proceeding to Docket Management for further processing. Further, the Commission directed Old Tamina to amend its application and submit evidence supporting the amended application.

On July 22, 2019, the Administrative Law Judge issued Order No. 24 requiring that Old Tamina submit an amended application with appropriate supporting evidence on or before August 5, 2019. Therefore, this Response is timely filed.

**II. Response and Request for Extension**

Old Tamina requested rehearing because the wholesale wastewater treatment service provider previously identified in Old Tamina's application was no longer willing to provide service. Old Tamina has since made diligent efforts to secure a replacement provider.

On or about July 25, 2019, the board of directors of Chateau Woods Municipal Utility District ("Chateau Woods") voted to provide wholesale wastewater treatment services to Old Tamina. Chateau Woods has been the wholesale potable water supplier for Old Tamina for many years and is now willing to add wastewater treatment. Chateau Woods is currently drafting the agreement for services and Old Tamina expects to receive it within the coming weeks. Once Chateau Woods and Tamina have agreed on the final language of the agreement, the agreement must be submitted to USDA for approval. Old Tamina must obtain USDA approval of the agreement prior to executing it because Old Tamina's sewer project will be financed with a \$2.2 million loan and grant package previously approved by USDA. After USDA approves the agreement, Chateau Woods and Old Tamina will then execute it.

Old Tamina respectfully requests an extension of the deadline to amend its application until October 31, 2019, so that it may complete drafting and negotiation of the wholesale wastewater treatment service agreement with Chateau Woods, submit the agreement to USDA for review and approval, and then execute the final agreement with Chateau Woods.

**WHEREFORE, PREMISES CONSIDERED,** Old Tamina respectfully requests that this Request for Extension be granted. Old Tamina respectfully requests the entry of an order consistent with this request.

Respectfully submitted,

**OLD TAMINA WATER SUPPLY CORPORATION**
