**ORDER NO. 28
REQUIRING STATUS REPORTS**

On August 21, 2020, Commission Staff filed a status report concerning this docket. Commission Staff indicated that Old Tamina WSC is still pursuing the option of acquiring and operating its own onsite package treatment plant using previously approved United States Department of Agriculture (USDA) loan and grant funding. Further, Commission Staff indicated that Old Tamina is in the process of obtaining USDA approval for its current plan and is working toward obtaining necessary permits from the Texas Commission on Environmental Quality. Commission Staff recommended that Old Tamina be required to file updates regarding the status of its application every 90 days, beginning on October 9, 2020.

On or before October 9, 2020, Old Tamina must file a status report regarding the status of its application. Old Tamina must continue to file status reports every 90 days thereafter until otherwise ordered.

Signed at Austin, Texas the 28th day of August 2020.
