**ORDER NO. 6
GRANTING MOTION TO EXTEND DEADLINE**

This Order addresses the Crystal Springs Water Company, Inc.'s request to extend the deadline set in Order No. 5 for the utility to provide proof that the Texas Commission on Environmental Quality (TCEQ) has approved the utility's water distribution plans. Crystal Springs stated that TCEQ is currently reviewing its water distribution plan and that TCEQ indicates that the plan should be approved by April 22, 2017. Therefore, Crystal Springs requested until May 1, 2017, to provide proof that the TCEQ has approved its water distribution plans. Crystal Springs represented that Commission Staff does not oppose the extension of time.

Crystal Springs' request is granted. On or before May 1, 2017, Crystal Springs shall submit proof that TCEQ has approved its water distribution plan. The remainder of the procedural schedule established in Order No. 5 still applies.

Signed at Austin, Texas the 13th day of April 2017.
