Re: Docket No. 46047, Order No. 4 Requiring Responses
Mark Groba's Appeal of the Cost of Obtaining Service From Noack Water Supply
Corporation in Williamson County

Honorable Jeffrey J. Huhn:

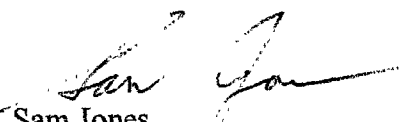

In response to the above referenced Order No. 4 Requiring Responses Noack Water Supply
Corporation (Noack WSC) offers the following:

Noack WSC is opposed to Mr. Groba's hearing request. Noack WSC has not discriminated
against Mr. Groba and is acting in accordance with its tariff which is on file with the PUC.

Noack WSC has been responding to Mr. Groba's complaints since March of 2016. Copies of
correspondence sent to Mr. Groba that detail the bases of his complaints were submitted to your
office by letter dated July 7, 2016. This correspondence shows that Mr. Groba has not raised
objections to the rates charged but merely objects to having to pay for the replacement of a meter
taken out 10+ years ago and objects to not being given an emergency livestock meter.

In conclusion, Noack WSC sees no basis for a hearing on the cost of obtaining service.

Sincerely,

Sam Jones
President Noack WSC

Mr. Mark Groba
