PUBLIC UTILITY COMMISSION
OF TEXAS

This Order requests clarification regarding the transaction. The parties are requested to clarify whether the application is to transfer a portion of the water system assets of Bethany Hearne to the City of Hearne and amend CCN No. 10330 to reflect such transfer, or for the City of Hearne to acquire all of the water system assets, customers, and service area of Bethany Hearne and to cancel CCN No. 10330. The proposed Notice of Approval suggests that a portion of the water system will be transferred,¹ which is inconsistent with the attached CCN map and the memorandum of Debbie Reyes Tamayo.²

In addition, Finding of Fact No. 4, states the application affects approximately 640 acres, whereas the notice provided to customers states that the total area being requested includes approximately 700 acres.³

By August 17, 2017, the parties shall provide clarification regarding the issues raised above.

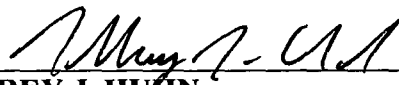

¹ Proposed Notice of Approval, Findings of Fact 1 and 3, and Ordering Paragraph 2 (Jul. 21, 2017).

² Commission Staff's Final Recommendation (Jul. 17, 2017).

³ Affidavit of Notice, Aug. 25, 2017.

Signed at Austin, Texas the 3rd day of August 2017.
