SOAH ORDER NO. 6  
EXTENDING ABATEMENT OF PROCEDURAL SCHEDULE

On April 28, 2017, pursuant to SOAH Order No. 5, Undine Development LLC (Undine) filed a status report regarding the status of settlement negotiations and a motion for abatement. The report indicates that negotiations are ongoing and that the parties remain hopeful that they will reach an agreed to most if not all contested issues in this proceeding. Undine seeks an additional 30-day abatement of the case while settlement negotiations continue, and represents that all parties are in agreement with the extended abatement, including Commission Staff. The motion indicates that the parties will file a status report after 30 days with an update on settlement negotiations or a new proposed procedural schedule, if necessary.

Under the circumstances, the motion for abatement has merit and should be granted. Therefore, the procedural schedule set forth in SOAH Order No. 4 is **ABATED** for an additional 30 days from the date of this order. The parties are **ORDERED** to file, by **no later than June 2, 2017**, a joint status report with an update on settlement negotiations and, if the case has not settled by that date, an agreed revised procedural schedule that will govern the remainder of this proceeding, along with proposed dates for a hearing on the merits.

SIGNED May 4, 2017.
