On October 30, 2017, Undine Development LLC (Undine) filed an agreed motion to admit evidence and an agreed motion for entry of an order to proceed with the sale, of facilities and certificate rights currently held by PK-RE Development Company, Inc. d/b/a Oak Shores Water System. The motion indicates that the parties to this proceeding have settled all issues in controversy, and that all parties either support or do not oppose the application. All intervening parties have filed statements of non-opposition to the settlement agreement and the application.

The motion is **GRANTED**. Each of the items listed under Section III of Undine’s agreed motion is hereby **ADMITTED** into evidence for purposes of supporting the settlement agreement.

An electronic version of the proposed final order shall be submitted to the Commission via cadmorders@puc.texas.gov. As there are no longer any contested issues, this case is remanded to the Commission and dismissed from the docket of the State Office of Administrative Hearings.
