Subject: Acquisition of Vista Verde Water Systems CCN 13034 by Simply Aquatics

References: PUC Docket No. 46170, SOAH Docket No. 472-17-3687.WS

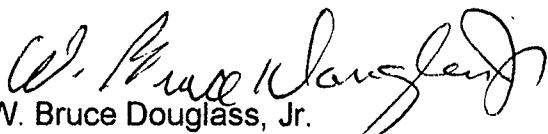

Dear Sirs:

As stated in the "Commission Staff's Supplemental Recommendations Finding Notice Sufficient and Clarification" ("Supplemental Recommendations") filed with the Public Utility Commission of Texas ("PUC") on 05APR17, Stanley Lake Municipal Utility District ("the District") filed a protest that Simply Aquatics had requested acquisition of some area not located within Vista Verde's CCN 13034 and requested an adjustment to limit the area to be acquired to that within this CCN. The Supplemental Recommendations further state/clarify: "The intent of the (Simply Aquatics) application is to transfer only the current area under CCN No. 13034 to Simply Aquatics, namely land that is currently within Vista Verde's certificated service area."

Subject to this clarification, the District withdraws its request for further adjustment.

If you have questions on this matter, please contact the District at (936) 582-1010.

Best Regards,

  
W. Bruce Douglass, Jr.  
Director/General Manager, for the Board
